Acclaimed the vacation spot of the Southwest, SAN DIEGO means so much more to its residents. It is the "City in Motion"-- a city which has seen growth by leaps and bounds in the development of industry, commerce, recreation, entertainment, and the fine arts. The "harbor of the sun" reflects one of the most beautiful cities of the whole world which will be celebrating its magnificent 200 year history at the close of this school year. Lincoln High School and the Statesman staff salute SAN DIEGO, a city on the move.

ACTIVITIES

Sadie Hawkins Happenings.

Evelyn Jorge and Kevin Brooks, one of the many dress-alike couples that had a groovy time at the Sadie.

The Sadie Hawkins annual Sock-Hop presented by the Girl's League was held on October 6 in the Big Gym. The group at the "Hornet Hoedown" was entertained with music by the Fortes accompanied by singers DeEtta Little, Chorle Gholston and Harlen Flenoid.

At the Sadie this year there were many couples dressed alike, and all appeared very cheerful in their casual attire. Our faculty proved to have just as much energy as the younger-set by getting on the dance floor and doing their latest steps. Well it appears everyone had a nice time.

Health Careers Club is dedicated to exploring and investigating the types of health careers available and the training needed for jobs in this field. The club is very active, planning at least one field trip a month. The highlight of this year was a tour of the U. S. S. Ticonderoga. Tonee Ritchey has been the President and Mrs. Klumph, school nurse, its sponsor.

Students Seek Adventure In Medicine

The Red Cross has been very active on our campus this year. This club was formed to promote school alertness to the needy. Working for the community is the main objective of the club.
